provided as making a logical division that recognizes all of the components of our rules...

PRESIDENT MAURSTAD:  One minute.

SENATOR COORDSEN:  ...as well as falling well within the practical zero deviations that we have tried to adhere to by being even a little more...a little more close to absolute zero than the committee plan. With that, I would ask the body to return LB 851 to Select File for the purposes of adopting AM2172.

PRESIDENT MAURSTAD:  Thank you, Senator Coordsen. The question is, shall LB 851 be returned to Select File for AM2172? Those in favor vote aye; those opposed vote nay.   Mr. Clerk, please record.

CLERK:   5 ayes, 24 nays, Mr. President, on the motion to return the bill.

PRESIDENT MAURSTAD:  The motion is not agreed to.   Members, we are on Select File...or, excuse me, we're on Final Reading. If you would return to your desks, we will proceed with Final Reading on LB 851. Mr. Clerk, LB 851.

CLERK:  (Read LB 851 on Final Reading.)

PRESIDENT MAURSTAD:  All provisions of law relative to procedure having been complied with, the question is, shall the bill pass? Those in favor vote aye; those opposed vote nay. Mr. Clerk, please record.

CLERK:  (Record vote read, Legislative Journal pages 2274-2275.) 41 ayes, 5 nays, 3 excused and not voting, Mr. President.

PRESIDENT MAURSTAD:  The bill is passed. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LB 851. Mr. Clerk, Select File.

CLERK: Mr. President, LB 357, the first bill on Select File. No...Senator Erdman, I have no amendments to the bill.
